C F  
If you only knew

What you're doing to me

What you're doing to me

My destiny

Cause though I'm good  
G  
At faking smiles

Am  
To say you're my diamond

Cause for God's sake  
You give me something I can't

more a part of my life

I spend down here in the

sunshine
